

Limited Warranty

MERCER VINYL WINDOWS AND DOORS SHIPPED OUTSIDE OREGON, WASHINGTON, AND NORTHERN CALIFORNIA.

This warranty extends to Mercer Aeolus 800, 810, 820, 850 and 870 Series vinyl windows and patio doors and Mercer 3.25 Series vinyl windows that are shipped to locations outside of the States of Oregon, Washington, and California (north of Visalia, California).

Mercer Industries, Inc. warrants for a period of ten (10) years after manufacture that the Mercer Aeolus Series 800, 810, 820 vinyl windows; Aeolus Series 850/870 patio door; and the 3.25 Series vinyl window manufactured by them will conform to the American Architectural Manufacturers Association C performance specification, up to the maximum size Mercer has tested, when properly installed.

The windows warranted herein will be free from defects in workmanship and material in their vinyl, plastic, and weather stripping for a period of ten (10) years after their date of manufacture. Mercer Industries, Inc. will, at Mercer's expense, provide any faulty or defective material or parts F.O.B. the point of delivery for the original product made by Mercer Industries, Inc. own trucks, or at Mercer's option, may refund up to the original dealer cost of the product, material or part.

Windows warranted are manufactured for installation and use in normal vertical, exterior and interior building wall locations.

This warranty does not cover condensation, misuse and abuse, failure caused by impact, excessive vibration, settlement and structural deflection of building parts, settlement, shrinkage or movement of surrounding structure, and wind and water loads in excess of the performance specification represented herein.

If the window is not properly installed, this warranty becomes null and void. The window or door must be installed in plane without warp or twist, plumb and level in accordance with Mercer's standard catalogue details. Proper head, sill and jamb flashing, building paper, and sealant behind and over mounting flanges are required and supplied by others. Mercer's window installation instructions are on the back of its label.

Designer/Owner/Builder is responsible that windows warranted are not located in wind and climate exposure or at elevations or on hillside locations or zones creating aggravated wind load pressures (positive and/or negative) and water penetration in excess of the tested warranted specification.

In the event of failure and before any obligation arises under this warranty, Owner is required to notify manufacturer in writing at: Mercer Industries, Inc. PO Box 4700, Beaverton, OR. 97076.
